

AGRO SHOW

AGRO SHOW International Visitors Program

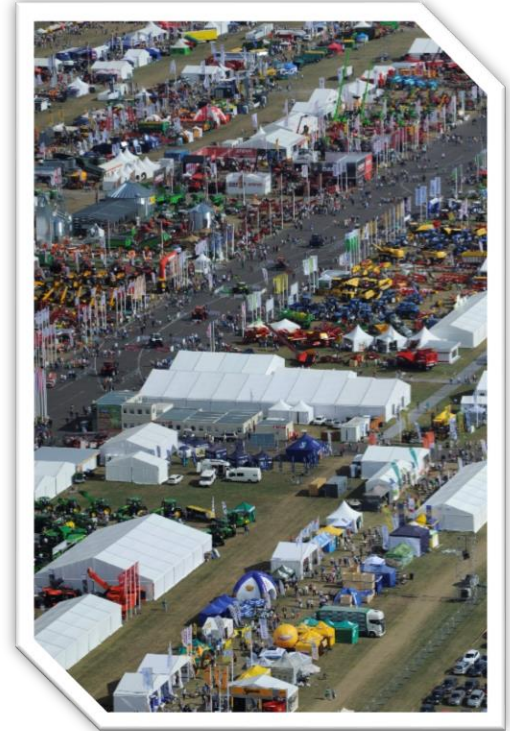

ABOUT THE EXHIBITION

AGRO SHOW is one of the largest agricultural exhibitions in Europe. The event has been organised since 1999. At the beginning, it was the Exhibition of agricultural machines and appliances. Now

producers from the agricultural technical sector were joint by manufacturers of fertilisers, seeds, plant protection agents and other sectors related to agriculture, and this way farmers visiting AGRO SHOW can get acquainted with a comprehensive range of products and services for agriculture. The Exhibition also includes machine presentations in specially prepared fields.

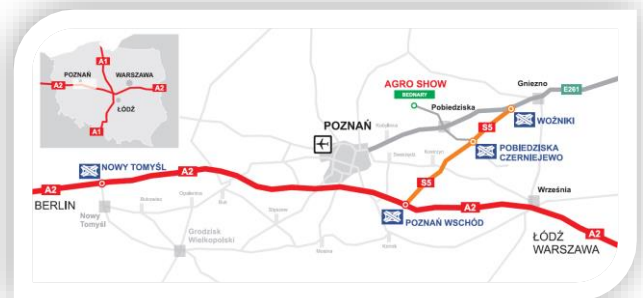

AGRO SHOW is the must-see agricultural exhibition in Central Europe for all who are interested in agricultural technologies.

LOCATION

The Exhibition is organised in Bednary, Pobiedziska commune, just 25 km away from Poznan. Very good access via the A2 motorway and the S5 expressway.

GPS location: 52.534444, 17.218611
